

Gold Kidney Benefits Rewards Program** Terms and Conditions

1. **Enrollment.** Gold Kidney Benefits Rewards Program enrollment is required, and you are automatically enrolled in the Gold Kidney Benefits Rewards Program, "Rewards," on the **date you register and authenticate** your Gold Kidney Benefits Prepaid Card Mastercard® Prepaid Card. Rewards earning eligibility commences upon your completion of eligible actions predetermined by the Gold Kidney Health Plan, the "Health Plan." **Although the option to unenroll from earning rewards is not available, as this offering is part of the plan benefit package, you do have the option to not participate in qualifying rewards tasks while maintaining your status as an active plan member.**
2. **Earning and Redeeming Rewards.** You will receive reward dollars based on the completion of specific health-related actions as determined by the health plan and funds received from Rewards earnings can be used to purchase products **at your discretion at any location and across all item categories.** You will not be able to earn rewards after December 10th. Your earned Rewards will expire on the annual program termination date, December 31st. You may check your Reward balance by logging on to the member portal at MemberPortal.Alivi.com or calling 1-888-991-0040.
3. **Opt-Out.** Enrollment in the Rewards program is automatic and made available as part of the overall Gold Kidney Benefits Rewards Plan, and there is not an option to opt out. However, you can elect to not complete the qualifying criteria while retaining the option to participate by completing healthy actions and earning rewards.
4. **Qualifying Actions.** Rewards are earned by completing a predetermined task defined and outlined by the Health Plan. Once members have completed one of the below tasks, Gold Kidney Benefits Rewards will notify Alivi Health that the task has been completed. Alivi Health will promptly load the appropriate Reward value to your prepaid account. Tasks that qualify for Rewards are listed below.
